YOUTH BASKETBALL

2017 Spring & Summer Seasons

For Boys and Girls Ages 5-15

Goal Oriented! Youth Basketball is an exciting sport combining team play and individual skills. The Y promises no try outs, no getting cut and no benchwarmers! Every child plays while making friends and learning new techniques.

Practices: Each team will have one 60-minute practice per week. During this time, the players will receive individual instruction in shooting, passing, dribbling, and rebounding.

Focus: While basic skills of the game are developed through practices and games, every child learns sportsmanship and values necessary to be successful in life.

Program Offerings: Helps kids become not only better players, but better people as well. With multiple age specific levels, each child gets to play and the games are safe, exciting and fun. We encourage fair play, positive competition, and family involvement.

Community Involvement: Youth Basketball utilizes volunteer head coaches, assistant coaches and scorekeepers to focus on participation and fun!
