FOR YOUTH DEVELOPMENT®  
FOR HEALTHY LIVING  
FOR SOCIAL RESPONSIBILITY

February 19, 2019

Dear Parent or Guardian,

As Senior Director of Child and Youth Development at the Burbank Community YMCA, I'm excited to let you know about our upcoming *Learn, Grow, Thrive* (completing 1<sup>st</sup>-5<sup>th</sup> grades) Summer Day Camps. This program is a 6-week camp designed to help improve your child's reading and math skills, minimize summer learning loss, and create an environment that supports healthy youth development. Our camps will expand on the proven outcomes of our established sessions, including pre-and post-testing featuring BUSD credentialed teachers and YMCA staff. This is a results-driven program with the unique feel of "camp" to encourage and nurture summer learning. There are weekly field trips, mentorship days with local officials, and more! **The best part: there is no cost to those that qualify!**

You're receiving this letter because your child has been identified as a perfect candidate for our camp.

With this letter, you should also receive an informational flyer about the camp with information on how to register. Spots are limited!

To participate in the camp, your child must qualify for **both** of the following criteria:

- *Currently reading below grade level and on the list provided by the District*
- *Attend a Burbank Title 1 school*

*Children who qualify for free or reduced lunch will receive priority registration*

If your child meets the above criteria, please do the following:

Attend the mandatory designated Orientation and Registration Night based on your child's grade that is listed on the informational flyer under the "How" section on the back. Attendees of the orientation will be given a registration number upon entry. **Attending the Orientation and Registration Night is the path to registration on a first come, first served basis.**

We look forward to another summer session of fun, enrichment and learning! We hope to reach as many students

Sincerely,

Angela Buck
